## Profacture Receives Order For Multiple Refurbished Tegal® 900 Series Etchers From Honeywell

Profacture has received an order for multiple Tegal 900 Series Etchers from Honeywell. This order marks the first time Profacture and Honeywell have worked together.

systems is scheduled for the first quarter of 2004. As a standard package with all system sales by Profacture, these will be delivered with a spares package, installation and warranty. Profacture will also provide on-

site training of maintenance personnel once system installations are complete.

Honeywell is a registered trademark of Honeywell International, Inc.

Delivery of the

## Construction to Expand Refurbishment/Assembly Area is Complete

With construction complete an additional 1000sf has been added to our Refurbishment / Assembly area. This newly acquired clean area will allow an additional three Tegal 9XX system to be refurbished

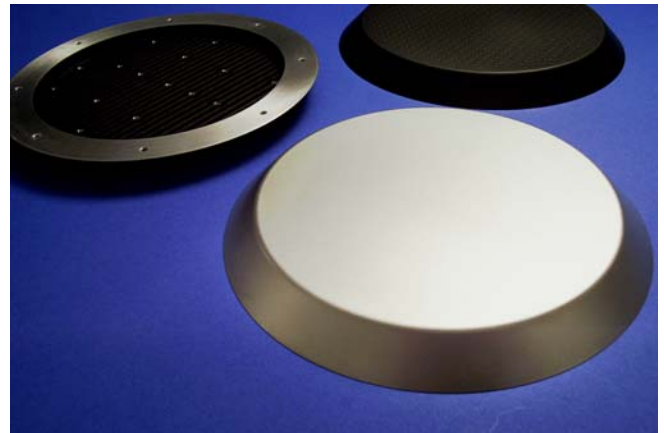

simultaneously while also adding additional module assembly space. During the construction process a Tegal 901e thru-the-wall system was permanently installed as a test bed.
